Finance Monthly M&A Awards 2018

Finance Monthly Magazine is pleased to announce that its 2018 M&A Awards edition has now been published.

Every year, the Finance Monthly M&A Awards recognise and celebrate the achievements of dealmakers, management teams, financiers and professional advisers who, over the 12 months, have demonstrated their deal making excellence when working on some of the most important deals across the globe. As a leading industry publication, Finance Monthly reports on hundreds of transactions, which makes us ideally placed to observe the sector and the most skilful and hard-working professionals that operate within it.

After carefully researching and identifying some of the most respected individuals and firms from all over the world, we are proud that all of our M&A Awards winners constantly exceed their clients' expectations, impressing them with their knowledge, dedication to the transaction and ongoing support. They show an insight into the market that proves why the demand for expert advisers continues to increase year upon year.

Finance Monthly would like to thank all contributors and participants in the 2018 M&A Awards. Congratulations to our winners and finalists.
