in 1978 the films *Snake in the Eagle's Shadow* and *Drunken Master* both starring a young Jackie Chan caused a stir in the Hong Kong cinema industry and changed the landscape of martial arts cinema mixing virtuoso displays of acrobatic kung fu with knockabout humor to huge box office success they broke the mold of the tragic and heroic martial arts film and sparked not only a wave of imitations but also a much longer trend for kung fu comedies that continues to the present day legacies of the *Drunken Master* the first book length analysis of kung fu comedy interrogates the politics of the films and their representations of the performing body it draws on an interdisciplinary engagement with popular culture and an interrogation of the critical literature on Hong Kong and martial arts cinema to offer original readings of key films these readings pursue the genre in terms of its carnival aesthetic the utopias of the body it envisions its highly stylized depictions of violence its images of masculinity and the registers of its hysterical laughter the book's analyses are carried out amidst kung fu comedy's shifting historical contexts including the aftermath of the 1960s radical youth movements the rapidly globalizing colonial enclave of Hong Kong and the emerging consciousness of its 1997 handover to China and the transnationalization of cinema audiences it argues that through kung fu comedy's images of the body the genre articulated in complex and often contradictory ways political realities relevant to late twentieth century Hong Kong and the wider conditions of globalized capitalism the kung fu comedy entwines us in a popular cultural history that stretches into the folk past and forward into utopian and dystopian possibilities theoretically rich and critical legacies of the *Drunken Master* aims to be at the forefront of scholarship on martial arts cinema it also addresses readers with a broader interest in Hong Kong culture and politics during the 1970s and 1980s postcolonialism in East Asia and action and comedy films in a global context as well as those fascinated with the performing body in the martial arts

introduction the way hollywood told it the frenzy of five fat years interlude spring 1940 lessons from our town

this expert screenwriting guide shows how aristotle s timeless principles apply to today s cinematic storytelling long considered the bible for storytellers aristotle s poetics is a fixture of college courses on everything from fiction writing to dramatic theory now award winning writer director and miramax story analyst michael tierno demonstrates how aristotle s ideas can be an essential resource for screenwriters and anyone interested in studying plot structure tierno breaks down the fundamentals of screenwriting highlighting particular aspects of aristotle s work then using examples from some of the best movies ever made he demonstrates how to apply these ancient insights to modern day screenwriting this user friendly guide covers a multitude of topics from plotting and subplotting to dialogue and dramatic unity with expertise and jargon free prose tierno makes aristotle s monumental work accessible to beginners and pros alike in areas such as screenwriting film theory fiction and playwriting

narratology has been conceived from its earliest days as a project that transcends disciplines and media the essays gathered here address the question of how narrative migrates mutates and creates meaning as it is expressed across various media ø dividing the inquiry into five areas face to face narrative still pictures moving pictures music and digital media narrative across media investigates how the intrinsic properties of the supporting medium shape the form of narrative and affect the narrative experience unlike other interdisciplinary approaches to narrative studies all of which have tended to concentrate on narrative across language supported fields this unique collection provides a much needed analysis of how narrative operates when expressed through visual gestural electronic and musical means in doing so the collection redefines the act of storytelling although the fields of media and narrative studies have been invigorated by a variety of theoretical approaches this volume seeks to avoid a dominant theoretical bias by

providing instead a collection of concrete studies that inspire a direct look at texts rather than relying on a particular theory of interpretation a contribution to both narrative and media studies narrative across media is the first attempt to bridge the two disciplines
