allegiance to the flag the origin of the infamous stiff armed salute adopted later under german socialism and adolf hitler long before the deutschland fad began american schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy anyone who rejected the ritual in the schools was persecuted america's nazi salute was often performed by public officials in the usa from 1892 through 1942 what happened to old photographs and films of the american nazi salute performed by federal state county and local officials those photos and films are rare because people don't want to know the truth about the government's past tv newspapers and other msm will not show a historic photo or video of the early american straight arm salute nor mention its history and impact worldwide american youth groups scouting adopted bellamy's american nazi salute with bellamy's encouragement and saluted swastika badges [?] worn by fellow scouts many americans were accustomed to nazi salutes for swastikas long before german socialism and hitler youth adopted similar behavior under hitler that helps to explain another inconvenient truth swastikas were promoted in the us military and worn as a patch on the upper left arm of american soldiers in a fashion that would become uniform under german socialism there are photos in this book the military salute was the origin of nazi salutes via the usa's flag pledge in government schools public officials in the usa who preceded the german socialist hitler and the italian socialist mussolini were sources for the stiff armed salute and brainwashed chanting in germany italy and other foreign countries the ancient roman salute myth originated from the city of rome in the state of new york not italy bellamy's hometown later mussolini presented a strange gift to the city of rome ny a statue of two human male infants suckling on a female wolf that statue remains on display in rome ny

martin m winkler's research in the roman salute verifies historian dr rex curry's discoveries including 1 adolf hitler and benito mussolini borrowed their infamous salutes from the usa's francis bellamy the socialist bellamy from rome new york was the origin of the roman salute used later by the socialist adolf hitler and by the long time socialist leader benito mussolini which mussolini learned when he was a socialist too 2 the roman salute phrase was inspired by rome new york the hometown of francis bellamy author of the usa's pledge of allegiance and a roman from new york who attended rome free academy rfa all new york romans were proud to hear and read of his youth's companion success and his lengthy pledge of allegiance presentation in 1892 soon rfa was doing bellamy's roman salute daily 3 in 1898 new york mandated bellamy's roman salute with the pledge in 1899 the Broadway play *Ben Hur* opened and used bellamy's roman salute solidifying the bellamy salute as the roman salute the *Ben Hur* play also exported it abroad to germany and italy and everywhere 4 new york city became grand central station for the distribution of america's nazi salute worldwide pride swelled for new york's romans and all new yorkers and the usa as the decades passed that pride evaporated it evolved into today's deranged lying to hide american heritage 5 the socialist bellamy's 1892 american nazi salute caused the painting oath of the horatii to be referred to as a roman salute beginning in 2003 and thereafter see the etymological genealogy and derivation that exposes deranged lying by modern socialists the usa's population was 134 million in 1942 when congress changed the roman bellamy's socialist salute almost all those millions including armed forces stationed abroad for years who helped spread bellamy's salute were familiar with the roman bellamy's socialist salute and they knew that it was the origin of germany's socialist salute and italy's socialist salute adopted by the long time socialist leader mussolini who learned the american salute when he was a socialist no americans believed it came from a french painting the circumstances show that congress changed the gesture because congress knew the roman bellamy's socialist salute was the origin of germany's socialist salute and italy's socialist salute many americans ignored congress meddling and proudly retained their salute saying that's our salute and we had it first and violent socialists abroad should stop stealing it
